ONYX

Celebrated for its translucent beauty, intricate patterns, and unique colors like blues, greens, whites, blacks, pinks, and reds, onyx is a natural stone formed over time by nature’s artistry. Each slab is a one-of-a-kind masterpiece, making it a luxurious centerpiece that adds elegance and transforms any space into something extraordinary.

DRAMA

Experience the extraordinary beauty of Onyx, a natural stone celebrated for its captivating translucency, intricate veining, and unparalleled elegance. Formed over thousands of years, every Onyx slab is a unique masterpiece, featuring rich layers of color and delicate patterns that transform ordinary interiors into remarkable works of art.

Renowned for its ability to transmit light, Onyx creates breathtaking visual effects when backlit, adding warmth, depth, and an unmistakable sense of luxury to any space. Whether featured as statement walls, reception counters, kitchen islands, bathroom vanities, bars, or custom furniture, Onyx becomes the focal point of every interior with its luminous beauty and refined character.

Perfect for luxury residences, hospitality spaces, retail environments, and prestigious commercial projects, Onyx seamlessly blends natural artistry with sophisticated design. Each slab is one of a kind, ensuring every installation is exclusive and impossible to replicate.
